D.O. No. EDN.101/2013/Pt/12

Dated Shillong, the 10th January, 2014.

Dear

Accept my warm greetings for the New Year 2014.

You must be aware that Mid Day Meal Scheme (MDMS) is the flagship nutritional programme of Government of India and it is the world's largest school food programme. The objectives of the programme includes improving school enrollment and regular attendance and retention.

I am aware that the MDMS under your leadership in your district is doing great efforts in achieving the above objectives. However, you would agree with me that there is still a lot of scope of improvement in the implementation of MDMS. You must also be aware about the recent tragedy occurred in Bihar where many school children lost their lives. The Government of India has also issued several instructions to improve the implementation of MDMS School in Meghalaya.

It is to inform that Director of School Education & Literacy has issued instruction to SDSEO of your district for effective implementation of MDMS as per the recommendation of the 5th Joint Review Mission (JRM) on MDMS in Meghalaya. This includes regular inspection of school for MDM service, regular holding of meeting of District / Block Level / Statutory-cum- Monitoring Committee meeting, timely release of MDM funds from SDSEO to school, updated MIS etc. A copy of their letters is enclosed herewith for your reference as well.

A video conference would be scheduled to discuss these issues in detail probably by the end of January 2014.

I am sure that you would take note of these issues while reviewing the progress on MDMS in your district.

With warm regards,

Yours

(Akash Deep)

To

The Principal Secretaries / Secretaries of Education / Nodal Department for Mid Day Meal Scheme in all States/UTs

Subject: Presence of parents for supervision and tasting of the quality of the meals under Mid Day Meal Scheme (MDMS) - reg.

Sir / Madam,

I am directed to say that MDM Guidelines 2006, envisage tasting of mid day meals by 2-3 adults including at least one teacher before it is served to the children. The updated guidelines on food safety and hygiene issued on 13.02.2015 also reiterate that testing of food by a teacher just before serving is mandatory, a record for which is to be maintained. Further the guidelines provide that SMC member should also taste the food on a rotation basis along with the teacher.

2. In addition, the Mid Day Meal Rules 2015, notified on 30th September, 2015 envisage that the School Management Committees (SMC) shall also monitor the implementation of Mid Day Meal Scheme and shall oversee the quality of meals provided to the children, cleanliness of a place, cooking and maintenance of hygiene in implementation of the Mid Day Meal Scheme.

3. It has now been decided that in addition to the mandatory testing by one teacher, at least one parent and preferably two who may or may not be SMC members should be present during serving of the meals to students so that they can taste the food as well as certify the number of children who partake of MDM. For this purpose, a roster of such parents be drawn up in advance on a monthly basis and a register to record their observations be also maintained at the school.

4. You are requested to issue necessary instructions to all schools to ensure that these guidelines are strictly followed by concerned Principals / Headmasters of schools.

Sir,

With reference to the above please find herewith the comments and views on the subject above as follows:-

1. The samples of Mid Day Meal are drawn to estimate the nutritional values of the prepared food to be served to the school children. Therefore, does not require sampling by Food Safety Officers under the provision of the Food Safety & Standards Act, 2006 and Rules, 2011.
2. The samples can be drawn as per the procedures specified by the National Institute of Nutrition, Hyderabad for drawal of informal samples of prepared food by the Food Safety Officer or by authorized officer of the Government.
3. The Food Safety Officers of the District can be contacted by the School authorities/ authorised persons of the Education Department for guidance/ procedures on drawal of samples and to send it to the Laboratory for analysis.
4. At present, in the Food Testing Laboratory, Shillong the Kjeldahl and Soxhlet apparatus are not available. Steps may be taken by the Laboratory authorities to purchase the same to meet the requirement urgently.
5. Once the apparatus are in place, the man-power training of 2 (two) days programme on performing such test can be arranged in a Laboratory outside the State.
6. Microbiological parameters are not perhaps required as per the NIN, Hyderabad guidelines.
7. The Government of Meghalaya is availing the service of the Food Analyst to the Government of Assam for analyzing the samples drawn by the Food Safety Officers of the State on payment. The cost of analysis of the samples is Rs.250/- per sample (in case of raw foods). However, the cost of analysis of the samples of prepared foods for estimation of nutritional value is Rs.1000/- per sample.
8. Till the time, the instruments are procured by the Food Testing Laboratory, Pasteur Hills, Shillong, the services of the Food Safety Officer of the State can be utilized for channelizing the samples to the Laboratory in Guwahati. However, the payment of analysis fees may be taken care by the Educational Department.
